Credit Card Authorization Form

Patient Name: _____

Patient D.O.B.: _____

I authorize Ready Meds Pharmacy (referred to in this agreement as "The Pharmacy") to provide medications and associated products and services to the above-named patient (referred to in this agreement as "The Patient"). I certify that I have the legal authority to sign this agreement on behalf of said patient and I understand that by signing this agreement I will become responsible to pay the usual and customary fee for all medications, products, and services provided to The Patient by The Pharmacy at the direction of the facility administration and staff and attending physician(s). If I disagree with any medication, product or service directed by the facility or an attending physician, I will contact them and resolve the issue(s) and ask them to provide different written directions to The Pharmacy. I acknowledge and agree that The Pharmacy will provide medications, products and/or services based upon the most current written direction received.

For patients receiving benefits from an insurance company (referred to in this agreement as a Pharmacy Benefits Manager "PBM"), I am aware that The Pharmacy will bill the PBM for all medications, products and services covered by the PBM and that I am responsible for any co-payments that may arise. I am aware that I am also responsible for payment for all medications, products and services provided by The Pharmacy that are not covered by the PBM. I understand and agree to the following:

- Medications furnished to The Patient are not packaged in child- proof containers.
- The facility personnel or caregivers are authorized to order products and services on behalf of The Patient.
- To pay all charges incurred by The Patient that are not paid for by their PBM, including Medicare and Medicaid.
- Medications that are delivered and subsequently discontinued or modified by The Patient's physician or otherwise not used by The Patient for any reason cannot be returned for credit. I understand that all medications, once delivered are not returnable per WAC 246-945-485, and I will be responsible for the full amount due.
- Statements printed at the beginning of the month are for products and services that were rendered the previous billing cycle, therefore should The Patient moves, leaves The Pharmacy's service, or passes away I am still obligated to pay the final balance. I agree to pay the entire amount due before the statement due date unless prior arrangements were made with The Pharmacy's billing department.
- To notify The Pharmacy immediately if The Patient's PBM changes.
- To notify The Pharmacy immediately if The Patient passes away, hospitalize, or relocates to another location.
- Before a full profile transfer to another pharmacy can occur, I must pay down The Patient's account to zero.
- If full payments are not received by the end of the month, I agree to pay a finance charge of 2.00% per month or a minimum service charge of \$25.00 whichever is greater on the leftover balance.
- If no payment or partial payment were received for the previous month, The Pharmacy may reserve the rights to refuse services for The Patient until balance has been paid off.
- If my account becomes 90 or more days delinquent, The Pharmacy will freeze The Patient's account. No more products or services will be rendered until the balance has been paid off.
- To pay all costs of collection, including court costs and attorney fees, for all delinquent balances. There will be a closing fee of 50% of the final balance upon closing of the account.
- I understand that upon receiving notification of the client leaving The Pharmacy's services or passing away, Ready Meds Pharmacy will charge any remaining balance on the client's file to close out the account.
